Natimuk Open Studios Art Trail

ACT Natimuk acknowledges the Traditional Custodians of the land upon which we are located, the Wotjobaluk, Jaadwa, Jadawadjali, Jupagulk and Wergaia and all the lands on which we meet and work.

We pay respect to Elders past and present and acknowledge their sacred connection to land, water, sky and community.

Welcome to the 2024 Natimuk Open Studios Art Trail *Inspiration around every corner.*

Head on down to the creative precinct of Natimuk! Visit the studios of our visual artists and see their work. An opportunity to gain an insight into what inspires them. Explore the art, community and cultural offerings and engage in the landscape that influences so many of our artists. Some of the artists will have work for sale, so consider supporting them with a purchase.

Visit natimukopenstudios.org for more information on the artists and the trail and any updated events that may be happening in the town.

Map flyers will be in all studios and in the Hub situated in the Supper Room Lounge.

The trail is part of the bigger Natimuk Arts Weekend.
